RARE

MEDIUM RARE

MEDIUM

MEDIUM WELL

WELL DONE

DEGREE OF ROASTING

RARE

Briefly seared, leaving a cool, ruby-red center. Silky and tender, this stage celebrates the pure essence of the beef, offering an intensely juicy and delicate texture.

MEDIUM RARE

Warm red center, tender and juicy, perfect balance of sear and succulence.

MEDIUM+

Warm pink center, slightly less red, juicy yet firmer, ideal compromise in doneness.

MEDIUM

Evenly warm with a rosy-pink core. Juicy yet firmer in texture, this stage balances tenderness with structure, ideal for those seeking a well-developed flavor without sacrificing moisture.

MEDIUM WELL

A precise midpoint between Medium Rare and Medium. The center is warm pink with just a whisper of red, delivering a luscious bite while beginning to showcase the meat's full body and depth.

WELL DONE

Cooked completely through to a uniform, rich brown. Firm and robust, this level offers a deeply developed flavor, favored by those who prefer no trace of pink.
