DEGREE OF ROASTING

RARE
Briefly seared, leaving a cool, ruby-red centre. Silky and tender, this stage celebrates the pure essence of the beef, offering an intensely juicy and delicate texture.

MEDIUM RARE
Warm red centre, tender and juicy, perfect balance of sear and succulence.

MEDIUM
Evenly warm with a rosy-pink core. Juicy yet firmer in texture, this stage balances tenderness with structure, ideal for those seeking a well-developed flavour without sacrificing moisture.

MEDIUM WELL
Mostly brown with just a hint of pink at the centre. Firmer and less juicy, with a deeper, more developed flavour.

WELL DONE
Cooked completely through to a uniform, rich brown. Firm and robust, this level offers a deeply developed flavour, favoured by those who prefer no trace of pink.
